

OFFICE SOLUTIONS

INCREASE SPACE, SAFETY & OPPORTUNITY

Increased space equals increased safety. With social distancing now a part of our everyday life, it is critical that employers find ways to maintain employee distance without sacrificing productivity. Quickly adding to your overall square footage or simply dividing it differently can help you accomplish these goals. With that in mind, we have endless tent and temporary wall options to create a solution for your space.

APPLICATIONS

- Overflow lunch and/or break rooms
- Temperature screening at employee entrances
- Division of staff on manufacturing/production floor or in office space
- Temporary storage

SPECIFICATIONS

- Cleanable Laminate PVC Fabric
- Flame Retardant
